We have a large selection of new and used electrical equipment.

ME Electrical are major stockists of new and used electrical equipment, carrying extensive product ranges for the commercial, industrial and domestic markets. All on view at www.equipmenttraders.com.au

As a one stop solution warehouse, our expert technical knowledge stands us apart from our competitors. Our staff are trained in all areas of the electrical industry allowing ME Electrical to assist you to find the solution to almost any technical or stock issue you may have.

We carry one of the most extensive ranges of cable in Australia: steel wired armoured, orange circular, industrial mains, fire rated, security, flexible EMC, data, flats and more.

With an array of conduit and cable tray systems, distribution boards, circuit breakers, industrial switches and outlets, contactors, flame proof products, frequency inverters, isolators, load break switches, soft and star delta starters, timers, relays, transformers, fuses, Bakelite and all your other electrical requirements, you are sure to find all your needs at ME Electrical.

Our in-house electrical workshop is able to customise or modify switch boards, control boards, panel boards or assemble terminal boxes to your requirements.

ME's new showroom specialising in tooling, test equipment, safety gear, connectors and cable ties, heatshrink and consumables is sure to provide you with your every day needs.

We carry premium brands such as Sylvania, NHP, Eaton, Toshiba, Olex, WEG, Pierlite, Thomas & Betts, IPD, Ezystrut, HPM, Coopers, PDL, Wattmaster, Adaptaflex, Ecco, Aussie Duct and Clipsal.

ME Electrical are suppliers to all industries, from tunnel projects, mining sector, quarries, sawmills, food manufacturing, chemical and pharmaceutical companies, recycling plants, wineries, commercial, domestic and a host of other sectors. As well as operating Australia wide, we also export to the South Pacific, Papua New Guinea and New Zealand.

We're proud of our electrical range and our reputation for service. ME Electrical is a family owned Australian business that sticks to family values – that's why we treat our customers like they're part of the family.
